* Data in this report represent the entire 2010-2011 fiscal year. Some students may have been enrolled at more than one institution during FY2010-2011. Those students may appear more than once in some tables. As such, counts in each table may not equal total count of students attending a public postsecondary institution and percentages may not equal 100%.

*** Cells with fewer than 10 students represented are suppressed for privacy reasons
