NOTES:

*The Department used information from various sources to compute these levies. Appeal amounts and maximum levy adjustments are based upon information submitted by taxing units to the Department as part of the pre-budget survey during spring 2020. The actual maximum levy may differ from the figures provided in this report.*

- (1) For purposes of these estimates, the Department is estimating Solid Waste Management District levies to be \$0 if the District did not take a levy in 2020 and 2019.
- (2) The Assessed Value Growth Quotient ("AVGQ") for Budget Year 2020 is 4.2%. For civil taxing units in counties that have elected to raise revenue through a local income tax rather than property taxes, the AVGQ will be listed as 1%.
- (3) The Cumulative Capital Development (CCD) levy adjustment is applicable to counties and municipalities only.
- (4) The Mental Health and Developmental Disabilities levy adjustments are applicable to county units only.
