Re: Provider emergency plan policy

Date: July 18, 2022

The Division of Disability and Rehabilitative Services Bureau of Developmental Disabilities Services must ensure that service providers approved under Indiana's Home-and Community-Based Services waivers or a community residential facility (e.g. supervised group living) have policies and procedures to address all types of emergency situations.

The Provider Emergency Plan policy (BDDS 2022-08-R-001) outlines the requirements for providers who approved for Supervised Group Living, Residential Habilitation-Hourly, Residential Habilitation-Daily, Structured Family Caregiving, and Participant Assistance and Care.

The **policy will become effective on Aug. 19, 2022**. The policy is available on the [DDRS Policies webpage](#):
