2402.20.55	Systematic Alien Verification for Entitlements (SAVE)	Update: In addition to obtaining documentation from the AG (as discussed in Section 2402.20.05), the Local Office is required to verify each alien's immigration status with Systematic Alien Verification for Entitlements (SAVE) if the Social Security Administration interface returns VLP (Verify Lawful Presence). SAVE was established by the Immigration and Naturalization Service (INS) to implement a provision of the Immigration Reform and Control Act of 1986 which mandated direct verification of alien immigration status with INS. INS has undergone a name change to Citizenship and Immigration Services (CIS) under the Department of Homeland Security.
