

Interpretive Guide Changes
For Licensed Child Care Centers
Effective 5/1/2011

Update #1: Director Qualifications

■ **470 IAC 3-4.7-21 Director qualifications**

NOTE:

If a director has any of the certificates/credentials listed below instead of a CDA it will be an approved equivalent;

Certified Childcare Professional (CCP)

Preschool Associates Credential (PAC)

Administrators Certificate approved by the Division

Update #2: Lead Caregiver Qualifications

■ **470 IAC 3-4.7-25 Lead caregiver qualifications**

Note:

If a lead caregiver has any of the certificates/credentials listed below instead of a CDA it will be an approved equivalent;

Certified Childcare Professional (CCP)

Preschool Associates Credential (PAC)

The caregivers serving school age children may obtain an Indiana Youth Development Credential instead of a CDA.

Update #3: Meal Components

■ **470 IAC 3-4.7-78 Meal components**

To clarify that no milk less than ~~2%~~ 1% may be served to children ages 2 and older according to approved nutrition programs, unless a child has a physician's or nurse practitioner's statement.
