

**INDIANA GAMING COMMISSION
CHARITY GAMING DIVISION
Fiscal Year 2021**

The FY21 Annual Charity Gaming Report will look different due to significant legislative changes enacted during the 2019 legislative session—specifically, House Enrolled Act 1517 (“HEA 1517”) and Senate Enrolled Act 393 (“SEA 393”).

HEA 1517 repealed IC art. 4-32.2 and replaced it with a reorganized, updated, and modernized charity gaming article, codified as IC art. 4-32.3.

SEA 393 allowed the Commission to issue an annual activity license for casino game night activities to certain bona fide civic organizations.

HEA 1517 and SEA 393 became effective July 1, 2019.

The statutory changes simplified the previous licensing scheme by reducing the number of license types while continuing to allow the same gaming activities authorized under the since-repealed IC art. 4-32.2.

The FY21 report will still be a combination of the new and earlier license types. As the old license types expire, reports going forward will only reflect the new license types found in IC art. 4-32.3.

Every qualified organization that holds a charity gaming license must file a financial report for each license type held. The statistics supplied are based on financial reports provided by licensed qualified organizations for events conducted during the state’s FY21 (July 1, 2020, through June 30, 2021). An organization cannot be issued successive gaming licenses until it has filed a financial report for its previously held event(s).

Organizations may appear more than once in the following listings for any of the following reasons:

- An organization may have held more than one type of license during FY21. An annual license is normally valid for twelve (12) months. Under IC art. 4-32.2 (repealed), an organization who held one or more annual licenses was restricted to no more than three (3) events per week, with not more than two (2) of the days being consecutive. The only exceptions were an Annual

Raffle or Annual Pull Tab, Punchboard, Tip Board (PPT) License. These two licenses allowed an organization to conduct specific activities every day at their facility. Beginning July 1, 2019, an organization that held one or more type(s) of an annual license could apply for and receive a single Annual Activity License to conduct the distinct types of charitable gaming activities under the same license.

- Under IC art. 4-32.2 (repealed), an unlimited number of single event door-prize, guessing game, raffle, special bingo, and water race licenses may have been issued to organizations during FY21, if all required applications, financial reports, and fees were received and approved by the Indiana Gaming Commission.
- Under IC art. 4-32.2 (repealed), an organization was limited to apply for and receive up to six (6) charity game night licenses, and up to three (3) festival licenses during a calendar year. Similarly, under IC art. 4-32.3, an organization is limited to apply for and receive up to six (6) Single Activity Licenses for casino game night activities, and up to three (3) festival licenses during the calendar year.

This report includes gaming statistics from six (6) National organizations and one (1) National Foundation who held the Annual Comprehensive Charity Gaming License (ACL). Information about the ACL can be viewed under IC4-32.2-4-19 (repealed), 4-32.2-4-20 (repealed), 4-32.2-5-29 (repealed), 4-32.2-5-30 (repealed), 4-32.2-5-31(repealed) and other areas throughout the statute. Under IC art. 4-32.3, the Annual Comprehensive Charity Gaming License was renamed the Annual Affiliate License (AAL). Information about the AAL can be viewed under IC 4-32.3-4-8.

An ACL or AAL allows a national organization or a national foundation to become a qualified entity for the purpose of conducting charitable gaming in Indiana. An ACL or AAL allows approved affiliates of the national organization or national foundation to file an Affiliate Notification form to obtain approval to conduct their allowable raffle and or bingo events in lieu of each affiliate applying for qualification status and obtaining individual licenses. At the conclusion of the affiliate raffle and or bingo event, the affiliate is needs to complete and submit an Event Summary Report (Form CG-AN-ESR), to the Charity Gaming Division while supplying the national organization or national foundation with a copy. The national organization or national foundation who holds the license at the conclusion of the annual license accounting period to combine all the affiliate event summary reports into the Annual Comprehensive Financial Report (renamed the Annual Affiliate Financial Report). This filing is used to decide the national organizations or national foundation's license fee for renewing the Annual Comprehensive Charity Gaming License or Annual Affiliate License. License fees are set by statute under IC 4-32.3-6-7.
