I want to:
Renew an Annual Gaming License(s)

To renew your organizations Annual License(s) you will need to complete and submit the Annual License Renewal Application and an Annual License Financial Report (CG-8) for each Annual License you have held in the previous twelve (12) months. In addition you will need to complete one of each of the additional forms (CG-21, CG-DIST, CG-INV and CG-CO). The renewal forms are due on the tenth (10th) day of the month in which your Annual License will expire. For example, if the annual license expires May 31, 2012, the renewal and financials will be due May 10th, 2012. The financial accounting period will end the last day of the month before your license expires. Example: If your license expires July 31, 2012 your financial accounting period will be July 1, 2011 thru June 30, 2012.

The fee to renew the expiring license will be based upon the adjusted gross income as reported on the Annual License Financial Report (CG-8) for the same license type.

Failure to accurately and legibly complete and postmark the forms by the 10th day of the month in which your license expires may delay the issuance of your new license.
