I regret to inform you that due to budgetary restraints, until further notice, we will not be providing the evening meal for Basic and In-service students or for Guest Instructors beginning January 1, 2010.

We will be working with Sodexo (our current cafeteria contractor), and restaurants in the Plainfield area to try to implement some ideas to help alleviate any inconvenience this may cause. Students and guest instructors will receive more detailed information when they arrive for classes.

Hopefully this situation will only be temporary.

Again, I apologize for any inconvenience and thank you in advance for your support in these trying times.

Respectfully,

*Kusty K. Goodpaater*
