Budget Presentation for FY 2014 - 2015

Joint Budget Committee Meeting

November 27, 2012

INDIANA DEPARTMENT OF CORRECTION

MISSION

The Indiana Department of Correction advances public safety and successful re-entry through dynamic supervision, programming, and partnerships.

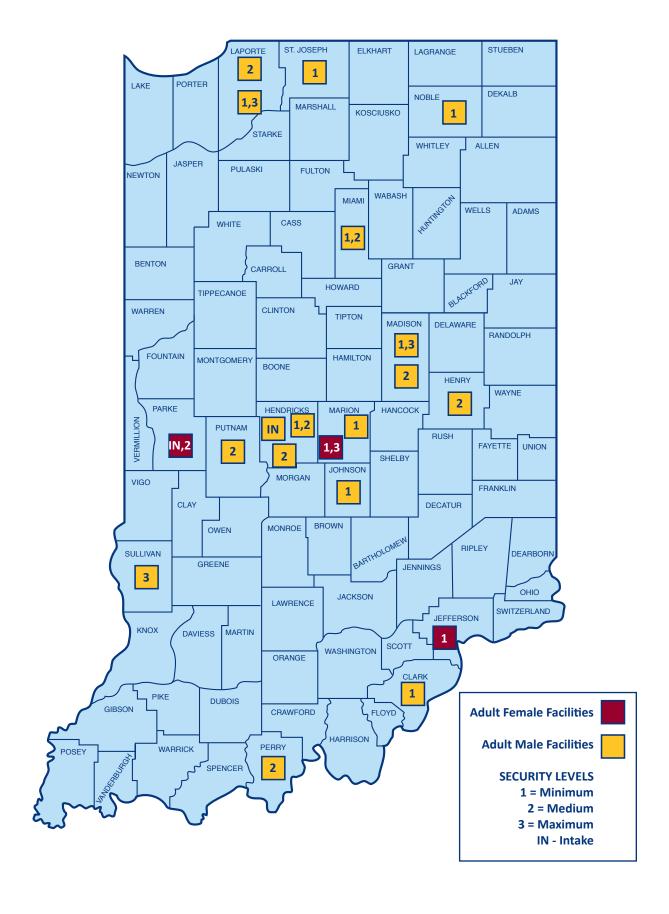

VISION

As the model of public safety, the Indiana Department of Correction returns productive citizens to our communities and supports a culture of inspiration, collaboration, and achievement.

Prophet Model Accuracy Actual vs. Projected Populations

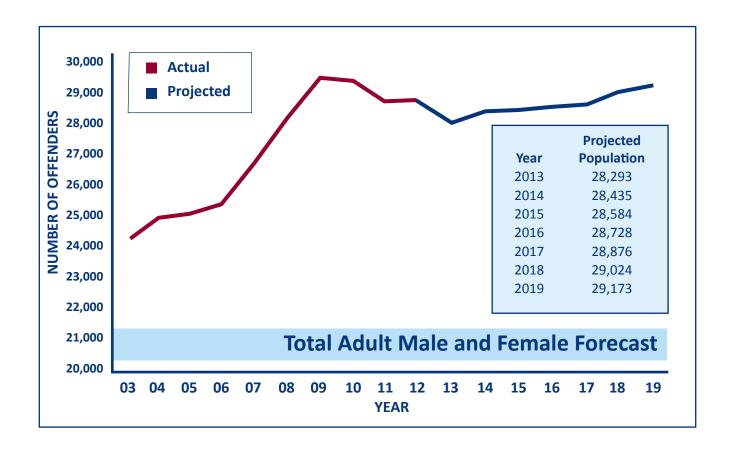

July 1 of each year Indiana Department of Correction Total Population

| Year | Actual Population | Projected Population | Percent Difference Between the Actual & Projected Population | Number Difference Between the Actual & Projected Population |
|------|----------------------|-------------------------|---|--|
| 2003 | 24,230 | 24,228 | 0.01% | 2 |
| 2004 | 24,948 | 25,446 | -1.96% | -498 |
| 2005 | 25,180 | 25,091 | 0.35% | 89 |
| 2006 | 25,398 | 26,043 | -2.48% | -645 |
| 2007 | 26,838 | 27,026 | -0.70% | -188 |
| 2008 | 28,337 | 28,631 | -1.03% | -294 |
| 2009 | 29,431 | 29,551 | -0.41% | -120 |
| 2010 | 29,370 | 30,004 | -2.11% | -634 |
| 2011 | 28,782 | 30,733 | -6.56% | -1951 |
| 2012 | 28,877 | 28,520 | 1.24% | 357 |

The average percent difference between actual and projected population over the past 10 years of projections is 1.69%.

^{*} Includes all facility housed offenders and students, jail, and contract beds.

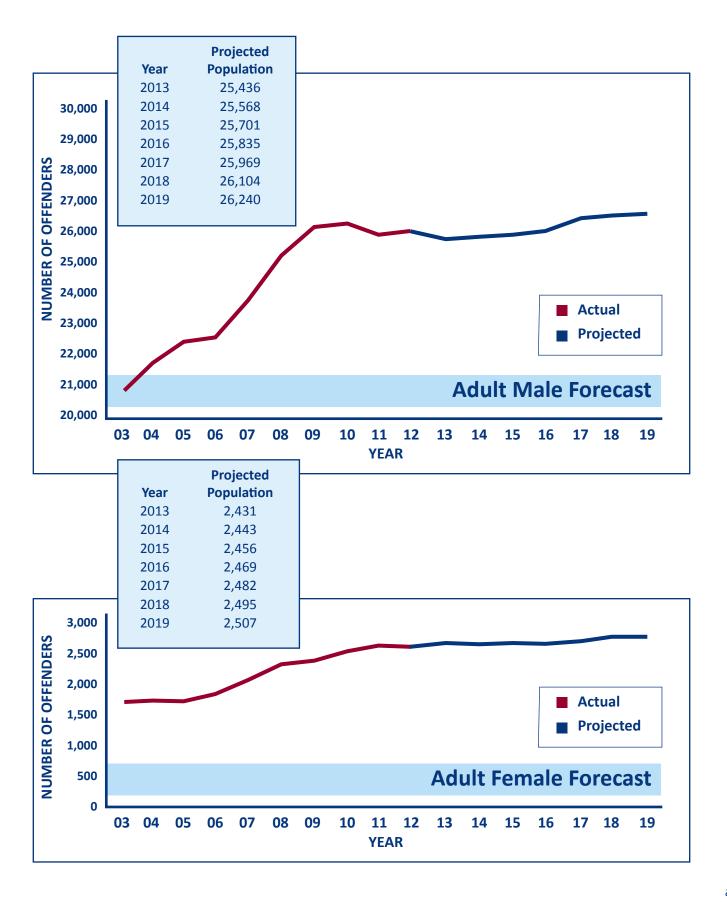

Population Forecast for Total Male & Female Adult

^{*} Includes all facility housed offenders and students, jail, and contract beds.

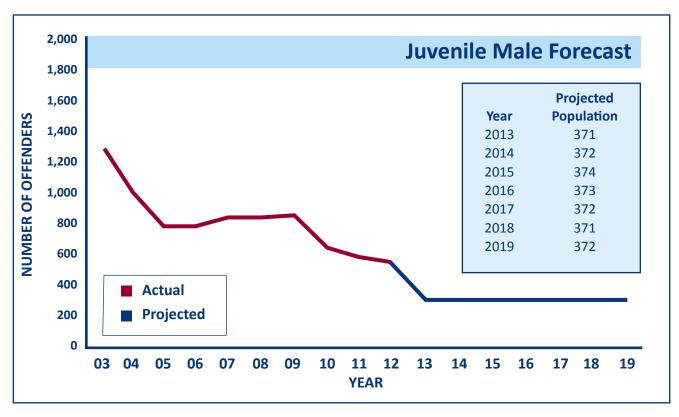

Population Forecast for Adult Male and Female

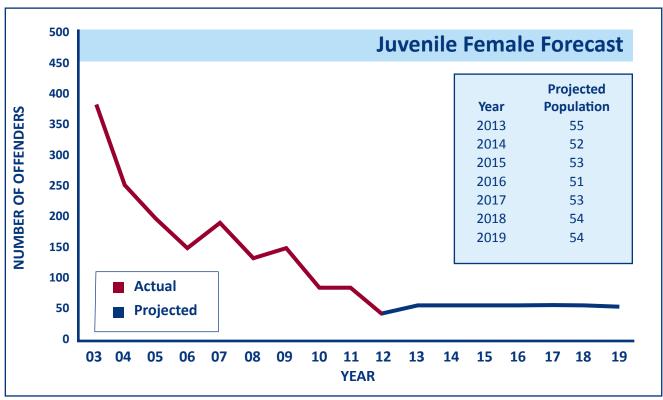

* Includes all facility housed offenders, jail, and contract beds.

Program Breakdown

Funding Breakdown

Change Package #1 Contractual Increase for Food Service Contract

- Contract with private vendor requires payment per meal per offender
- Increase requested due to increased population and rising food costs
- Requested Change Package Amounts:
 - Total Request for FY 2014: \$1,317,405
 - Total Request for FY 2015: \$2,649,335

Change Package #2 Contractual Increase for Medical Contract Net of Savings for Proposed Medicare + 4%

- Contract with private vendor requires payment per offender per day
- "Medical" account encompasses not only medical services, but also includes mental health services, dental services and substance abuse treatment services
- Change Package request due to increased population, rising medical costs
- Budget proposal assumes the "Medicare + 4%" legislation will not be permitted to sunset (See IC 11-10-3-6)
- Requested Change Package amounts:

Total Request for FY 2014: \$3,283,520

Total Request for FY 2015: \$7,374,336

Change Package #3 Contractual Increase for New Castle Correctional Facility

- Contract with private vendor requires IDOC to pay a daily cost for the supervision and housing of offenders.
- On February 29, 2012, the Department opened an annex at this facility, providing 512 additional maximum-security beds.
- IDOC will need to operate this facility at maximum capacity throughout the biennium.
- Requested Change Package Amounts:

Total Request for FY 2014: \$764,194

Total Request for FY 2015: \$1,543,671

Change Package #4 Juvenile Detention Alternative Initiative

- The JDAI is a national juvenile justice improvement initiative aimed at diverting low-risk youth from secure confinement and helping with reintegration from secure-confinement juvenile facilities.
- The Indiana JDAI State Expansion Initiative is supported by the Indiana Supreme Court and Judicial Center, the Indiana Criminal Justice Institute, and the Indiana Department of Correction and is currently operating in eight Indiana counties.
- The Indiana JDAI State Expansion Initiative would operate as a grant funded program using the current community correction grant processes.
- Requested Change Package Amounts:

• Total Request for FY 2014: \$5,500,000

• Total Request for FY 2015: \$5,500,000
